The men and women of the Bloomsburg University Police Department are committed to maintaining a safe and secure campus by providing contemporary and professional policing with a strong emphasis on customer service.

The hallmark of our service will be a dedication to the principles of honor, integrity, discipline, trust and dedication. If you have concerns, questions or comments about our department, federal or state law or Bloomsburg University's compliance with these laws, please contact the Director of University Police at 570- 389-2211.

The information contained in this Annual Security and Fire Report is available to new and prospective students and employees as well as their families and all current members of the campus community. What is the Clery Act?

Signed into law in 1990, the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) is a federal law that requires post-secondary institutions that participate in Title IV programs to disclose certain timely and annual information about their campus' crime, security, and fire policies. The Clery Act was championed by Howard and Connie Clery after their daughter, Jeanne, was murdered at Lehigh University in 1986.

A copy of the Bloomsburg University Annual Security Report can be obtained at the University Police Department, the university office of Human Resources and Labor Relations and the university Admissions Office or by accessing the following web site:

<https://www.bloomu.edu/documents/annual-security-report>

This report includes statistics for the previous three years concerning reported crimes that occurred on-campus; in certain off-campus buildings or property owned or controlled by Bloomsburg University or student organizations that are officially recognized by the institution; and on public property within, or immediately adjacent to and accessible, from the campus. The report also includes institutional policies concerning campus security, such as policies concerning sexual assault, and other matters.

Fire statistics are provided for on-campus housing. To keep the university community informed of personal safety issues on campus, each year Bloomsburg University's safety and security policy statements and statistics are published and widely distributed. This is in compliance with the federal Crime Awareness and Campus Security Act of 1990.

Definitions

Aggravated assault - An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

Arrest - Persons processed by arrests, citation or summons.

Arson - Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

Burglary - The unlawful entry of a structure to commit a felony or a theft.

Category of Fire - For HEA purposes, there are three categories of fire: Unintentional Fire: A fire that does not involve an intentional human act to ignite or spread fire into an area where the fire should not be. Intentional Fire: A fire that is ignited, or that results from a deliberate action, in circumstances where the person knows there should not be a fire. Undetermined Fire: A fire in which the cause cannot be determined.

Cause of Fire - The factor or factors that give rise to a fire. The causal factor may be, but is not limited to, the result of an intentional or unintentional action, mechanical failure or act of nature.

Consent - In relation to sexual activity, the Title IX office of Bloomsburg University defines consent as words or actions that demonstrate an affirmative, knowing and voluntary agreement to engage in a mutually agreed-upon sexual act. Consent must be informed and freely given. Consent is invalidated when it is forced, coerced, or when a person is physically and/or mentally incapable of giving consent. For example, a person who is substantially impaired by drugs or alcohol may not be able to consent. Some signs of substantial impairment may include, but are not limited to, loss of balance/inability to walk without stumbling, slurred speech, inability to focus their vision, vomiting, erratic or extreme behavior, knowledge of person's significant use of drugs or alcohol, or passing out. Consent is an active, on-going process. It can be withdrawn at any time, and consent for one sexual act does not imply consent for another subsequent sexual act. Consent, a lack of consent or a withdrawal of consent can be expressed by words or actions or both. For example, verbal silence or the absence of physical resistance does not automatically mean someone has consented to a sexual act; nor is physical

resistance required for a person to verbally communicate a lack of consent or to withdraw consent. In relation to this, there is no Pennsylvania state definition.

Dating violence - Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.

(i) The existence of such a relationship shall be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

(ii) For the purposes of this definition: (A) Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. (B) Dating violence does not include acts covered under the definition of domestic violence.

(iii) Any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

There is no Pennsylvania state definition for dating violence.

Destruction/Damage/Vandalism of Property - To willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.

Domestic violence - (i) A felony or misdemeanor crime of violence committed:

(A) By a current or former spouse or intimate partner of the victim; (B) By a person with whom the victim shares a child in common; (C) By a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner; (D) By a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or (E) By any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

(ii) Any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

There is no Pennsylvania state definition for domestic violence.

Drug abuse violations - The violation of laws prohibiting the production, distribution and/or use of certain controlled substances and the equipment or devices utilized in their preparation and/or use. The unlawful cultivation, manufacture, distribution, sale, purchase, use, possession, transportation or importation of any controlled drug or narcotic substance.

Arrests for violations of state and local laws, specifically those relating to the unlawful possession, sale, use, growing, manufacturing and making of narcotic drugs. The relevant substances include: opium or cocaine and their derivatives (morphine, heroin, codeine); marijuana; synthetic narcotics - manufactured narcotics which can cause true addiction (Demerol, Methadone); and dangerous nonnarcotic drugs (barbiturates, Benzedrine).

Fire - Any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.

Fire-related death - Any instance in which a person: (1) Is killed as a result of a fire, including death resulting from a natural or accidental cause while involved in fire control, attempting rescue, or escaping from the dangers of a fire; or (2) Dies within one year of injuries sustained as a result of the fire.

Fire-related injury - Any instance in which a person is injured as a result of a fire, including an injury sustained from a natural or accidental cause, while involved in fire control, attempting rescue, or escaping from the dangers of the fire. The term "person" may include students, employees, visitors, firefighters, or any other individuals.

Hate Crime - a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim. Although there are many possible categories of bias, under the Clery Act, only the following eight categories are reported:

i. Race. A preformed negative attitude toward a group of persons who possess common physical characteristics, e.g., color of skin, eyes, and/or hair; facial features, etc., genetically transmitted by descent and heredity which distinguish them as a distinct division of humankind, e.g., Asians, blacks or African Americans, whites.

ii. Religion. A preformed negative opinion or attitude toward a group of persons who share the same religious beliefs regarding the origin and purpose of the universe and the existence or nonexistence of a supreme being, e.g., Catholics, Jews, Protestants, atheists.

iii. Sexual Orientation. A preformed negative opinion or attitude toward a group of persons based on their actual or perceived sexual orientation. Sexual Orientation is the term for a person's physical, romantic, and/or emotional attraction to members of the same and/or opposite sex, including lesbian, gay, bisexual, and heterosexual (straight) individuals.

iv. Gender. A preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender, e.g., male or female.

v. Gender Identity. A preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender identity, e.g., bias against transgender or gender non-conforming individuals. Gender non-conforming describes a person who does not conform to the gender-based expectations of society, e.g., a woman dressed in traditionally male clothing or a man wearing makeup. A gender non-conforming person may or may not be a lesbian, gay, bisexual, or transgender person but may be perceived as such.

vi. Ethnicity. A preformed negative opinion or attitude toward a group of people whose members identify with each other, through a common heritage, often consisting of a common language, common culture (often including a shared religion) and/or ideology that stresses common ancestry. The concept of ethnicity differs from the closely related term "race" in that "race" refers to a grouping based mostly upon biological criteria, while "ethnicity" also encompasses additional cultural factors.

vii. National Origin. A preformed negative opinion or attitude toward a group of people based on their actual or perceived country of birth. This bias may be against people that have a name or accent associated with a national origin group, participate in certain customs associated with a national origin group, or because they are married to or associate with people of a certain national origin.

viii. Disability. A preformed negative opinion or attitude toward a group of persons based on their physical or mental impairments, whether such disability is temporary or permanent, congenital or acquired by heredity, accident, injury, advanced age or illness.

For Clery Act purposes, Hate Crimes include any of the following offenses that are motivated by bias: Murder and Non-negligent Manslaughter, Sexual Assault, Robbery, Aggravated Assault, Burglary, Motor Vehicle Theft, Arson, Larceny-Theft, Simple Assault, Intimidation, Destruction/Damage/Vandalism of Property. The current fire safety systems are code compliant and upgrades will be made as code requires and during building renovation work. Future improvements to the fire alarm systems are not necessary at this time.

All fires should be reported to Bloomsburg University Police Department at 570-389-2211 or 570-389-4168.

At Bloomsburg University of Pennsylvania, all residential on campus housing are completely covered by an integrated automatic sprinkler system and programmable fire alarm system, which is monitored on a 24 hour basis. These systems include pull stations and pillow shakers (devices that alert hearing impaired persons of a fire emergency while they are sleeping). The buildings are also equipped with emergency generators that are designed to power emergency lighting in case of a power outage. The fire alarm systems are equipped with back up battery power. All of the fire systems are inspected and maintained in accordance with the National Fire Protection Association (NFPA).

All on campus residents and Community Assistants receive fire safety training at the beginning of their first semester. Fire/evacuation drills are conducted at least twice, in housing buildings, during the fall and spring semester.

It is the policy of Bloomsburg University of Pennsylvania that candles, incense, hot plates, coffee makers, or appliances with a heat source, any open flame devices, fireworks and smoking are PROHIBITED in the residence halls. Cooking appliances can only be used in designated areas in each hall. Cooking of any kind is prohibited in residence hall rooms. Occupants of upper campus apartments are PROHIBITED from smoking, possessing candles, incense and open flame devices in the apartment.

THE ANNUAL SECURITY AND FIRE SAFETY REPORT

Emergency Notifications, Response and Evacuation Procedures

In the event of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on campus, Bloomsburg University will upon confirmation, issue Emergency Notifications to the campus community. Emergency Notifications are provided when a significant emergency or dangerous situation involving an immediate threat to the health or safety of students, employees or others is or is about to occur on the Bloomsburg University campus. Emergency Notifications will contain information pertaining to the threat or emergency such as location, timing and safety, and evacuation procedures. Safety and evacuation procedures examples include sheltering in place, avoid an area, and vacate building(s) or campus. Notifications may include available information as to safer locations and shelters. Updates will be provided as necessary.

Bloomsburg University's process for communicating emergency information to the campus community includes, but is not limited to, The BU Alert System, a siren/outside public address, the Safety website, and social media. There is also a clearly identifiable link to notifications on the University Police website. As determined by the Emergency Notification Committee, Emergency Notifications may be issued using some or all of the above communications systems.

Bloomsburg University is not responsible for charges applied by cell phone providers.

Students are automatically enrolled in this service and will be sent messages based on the information provided in their student account.

Participation in this service is voluntary for BU employees. Employees are not required to sign up for any type of notifications, but those who do may choose to be notified by voice, text and/or e-mail. While participation is voluntary, employees are strongly encouraged to sign up for these notifications.

To sign up, log into the BU Alert system by navigating to <http://rave.bloomu.edu> and logging in with your HuskyID (full BU Email address {username@bloomu.edu}) and your login password.

The issuing of Emergency Notifications must be decided on a case-by-case basis in light of all the known facts, including confirmation and circumstances surrounding the situation. The following administrators, their designees or alternates will be members of the Emergency Notification Committee and will be responsible for determining the appropriateness of issuing Emergency Notifications:

Director of Bloomsburg University Police
Assistant Director of Police, Alternate 1
Sergeant/Officer in Charge, Alternate 2
Director of Media Relations and Content Strategist
Dir. Sports Info. Athletic Marketing and Promotions/Asst. Dir. Marketing and Communications, Alternate 1
Assoc. V.P. Marketing and Communications, Alternate 2

Bloomsburg University's Emergency Notification Committee will without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgement of the Emergency Notification Committee, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

Upon confirmation by a university official, through firsthand knowledge of police personnel on scene, news outlets, weather websites, public health sources and/or law enforcement data and intelligence Emergency Notification information is shared with the Emergency Notifications Committee usually by the Director of Police who would normally receive it from the Sergeant or Officer In Charge of the shift. A determination is then made by the committee, who would usually communicate via phone, as to if an Emergency Notification will be issued and the information it will contain. The notification is written by the representative from Marketing and Communications and if time permits, reviewed by the police representative. Marketing and Communications is responsible for disseminating the notification.

In extreme instances when it would not be practical to use the Emergency Notification Committee or communication could not be established the police shift sergeant or officer in charge will make the determination as to the issuance and content of the notification. The notification would then be sent by police dispatch personnel.

THE ANNUAL SECURITY AND FIRE SAFETY REPORT

Depending on the nature of the emergency students and employees may be directed to a safe location, told to shelter in place, evacuate the campus and/or be provided with other pertinent safety information. Additionally, campus buildings may be secured and utilities adjusted accordingly.

If there is a need to disseminate such emergency information to individuals and/or organizations outside of the campus community, it will be handled by the office of Marketing and Communications.

Every year a regularly scheduled test designed for evaluation of emergency response plans is conducted that includes drills, exercises and follow-through activities.

Additionally, at a minimum, unannounced evacuation drills are conducted each spring and fall semester for all occupied campus buildings. Students learn the locations of emergency exits in buildings and are provided guidance about direction they should travel and gather when exiting each building for short term evacuations.

Long term evacuation locations are not publicized as they are subject to a number of factors including; time of day, location of building being evacuated, nature of the emergency and availability of designated evacuation areas.

Records of tests and drills include a description of the test, the date and times it started and ended and if it was announced or unannounced. All test records will be kept for seven years.

Evacuation and shelter in place information is provided to students and employees each year via email.

In circumstances that the Emergency Notification Committee determines the incident at hand does not meet Emergency Notifications standards, they may decide to issue a Safety Alert.

Bloomsburg University has elected to provide this service as a commitment to keep the campus community informed and safe. Safety Alerts may result in the entire campus or a portion of the campus receiving the information using one or more of the notification systems.

Report emergencies to Bloomsburg University Police at 570- 389-2211 or Columbia County 911.

Timely Warnings for Criminal Activity

As per the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, referred to as the Clery Act, Bloomsburg University will issue Timely Warnings for certain crimes on a case by case basis. Timely Warnings are issued for crimes that occurred on campus, specifically; murder, non-negligent manslaughter, rape, fondling, statutory rape, incest, robbery, aggravated assault, burglary, motor vehicle theft and arson. The decision to issue a warning takes into account all of the known facts including; nature of the crime, continuing danger to the campus community and possible risk of compromising law enforcement efforts.

Information to be included in Timely Warnings are date and time of the crime, nature of the crime, a general location, and information that promotes safety. The race of a suspect will not be given out if that is the only other descriptor beyond the suspect's sex, nor will the victim's identity be released.

The intent of the warning is to enable people to protect themselves, thus the warning will be issued as soon as possible even if all the facts are not yet known.

Timely Warnings may be issued by some or all of the following notification systems: public address system, mass text messaging, university emails, and social media, safety website and paper postings at common entrances to academic, administrative and multi-unit residential buildings that Bloomsburg University owns or controls. Postings will not be done on individual dorm rooms or apartments.

The Director of Bloomsburg University Police and the Director of Media Relations and Content Strategist make up the Timely Warning Committee. In a situation where one or both will not be available, they may assign designees. For redundancy, there are also pre-designated alternates.

THE ANNUAL SECURITY AND FIRE SAFETY REPORT

In instances when communication cannot be established with the Timely Warning Committee or alternates, the police shift sergeant or officer in charge will make the determination as to the issuance and content of the warning. The warning would then be sent by police dispatch personnel.

In circumstances that the Timely Warning Committee determines the incident at hand does not meet Timely Warning standards, they may decide to issue a "Safety Alert."

The Clery Act does not require a safety alert, however, Bloomsburg University has elected to provide this service as a commitment to keep the campus community informed and safe.

Safety alerts may result in the entire campus or a portion of the campus receiving the information using one or more of the notification systems.

To report crimes occurring on campus call Bloomsburg University Police at 570- 389-2211.

Preparation of Disclosure of Crime Statistics

The Bloomsburg University Police Department prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on our web site at <https://www.bloomu.edu/documents/annual-security-report>

This report is prepared in cooperation with the local law enforcement agencies surrounding our campus and alternate sites, Residence Life, and Dean of Students Office. Each department provides information on their educational efforts and programs to comply with the Act.

Campus crime, arrests and referral statistics include those reported to the Bloomsburg University Police Department and designated campus officials, (including but not limited to directors, deans, department heads, designated Student Life staff and student employees, advisors to students/student organizations, athletic coaches, and anyone fulfilling the role as a campus security authority), and local law enforcement agencies.

Each year an email notification is made to all enrolled students that provide the web site to access this report. Faculty and staff receive similar notification. Copies of the report may also be obtained at the University Police Department, located at the Andruss Library Annex. Prospective employees may obtain a copy at the Human Resources Department located in the Waller Administration Building. Copies are also available at the Admissions Office or by calling 570-389-4316.

The Bloomsburg University Police Department works closely with the Town of Bloomsburg Police Department and exchange crime statistics and information concerning Bloomsburg University students living off-campus. Limited Voluntary Confidential Reporting

The Bloomsburg University Police Department encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are public records under state law, the Bloomsburg University Police Department cannot hold reports of crime in confidence. Confidential reports for purposes of inclusion in the annual disclosure of crime statistics can generally be made to the university's designated campus security authorities.

Security and Access

During business hours, the university (excluding residence halls, certain labs, and other secure areas) will be open to students, parents, employees, contractors and visitors. During non-business hours, access to all university facilities is by key or card access, if issued, or by admittance via the University Police or Residence Life Staff. During non-business or extended closings, those without keys or card access will only be admitted with prior written approval.

Residence halls are secured 24 hours a day by card access. The card access entry points are monitored by security cameras. Card access remains in effect during extended breaks, but student cards are programmed to prohibit entry during that time. Some facilities, labs, and specified rooms have individual hours, which may vary at different times of the year. Examples are Nelson Field House, Haas Auditorium, Kehr Union, Gross Auditorium, the Library, IIT, and various labs. In these cases, the facilities will be secured according to schedules developed by the department responsible for the facility. Emergencies may necessitate changes or alterations to any posted schedules. The Bloomsburg University Police Department and the BU Card Center have 24/7 co-control and accessibility of all online doors on campus.

Bloomsburg University Police routinely conducts building checks during non-business hours and during extended breaks.

Bloomsburg University Police routinely conduct foot patrols of the residence halls and public areas on campus.

THE ANNUAL SECURITY AND FIRE SAFETY REPORT

Maintenance of Campus Facilities

Bloomsburg University facilities and grounds are maintained in a manner that minimizes hazardous conditions. The Bloomsburg University Police Department regularly patrols the campus and reports malfunctioning lights and other unsafe physical conditions to Facilities Management for correction. Other members of the college community are encouraged to report maintenance concerns.

Campus Law Enforcement Authority

In Pennsylvania the State System of Higher Education, Act 188 of 1982 as amended by Act 48 of 2003, establishes and defines the powers and duties of Campus Police Officers. This act granted campus police officers the authority to exercise the same powers that are granted to municipal police officers under the Statewide Municipal Police Jurisdiction Act, (Title 42, 8953). All crimes, including major offenses; such as rape, murder, aggravated assault, robbery and auto theft that are reported to have occurred within the geographic confines of the University Campus are investigated by the Bloomsburg University Police Department.

Officers are empowered to issue traffic citations and non-traffic citations for various violations of Pennsylvania Law. Violations of University policy and code of conduct are reported to the Dean of Students for adjudication.

The Bloomsburg University Police Department works closely with the Town of Bloomsburg Police Department and the Pennsylvania State Police on mutual investigations and interests. Information is exchanged concerning university students that engage in criminal activity off campus. This information is provided to Dean of Students Office for possible violations of the student code of conduct.

Mutual Interests

The Bloomsburg University Police Department maintains a close working relationship with the Town of Bloomsburg Police Department, surrounding law enforcement agencies, the Pennsylvania State Police, and the FBI. Bloomsburg University Police Officers and the Town of Bloomsburg Officers often interact and provide assistance to each other when requested. Periodically during the academic year the University Police Department in cooperation with other university organizations and departments, present crime prevention awareness sessions on sexual assault, theft, and vandalism, as well as educational sessions on personal safety and residence hall security. A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

Crime Prevention Programs for Students and Employees

Crime Prevention Programs on personal safety and theft prevention are sponsored by various university organizations throughout the year. University Police personnel conduct presentations in seminar classes and participate with Residence Life and other departments in various presentations to students, parents, faculty, student organizations, and community organizations. Preventing And Responding to Incidents of Domestic Violence, Dating Violence, Sexual Assault Or Stalking

Bloomsburg University is committed to creating and maintaining a campus environment where safety, health, and well-being are priorities for all. The university will not tolerate any form of sexual misconduct, which includes but is not limited to rape, sexual assault, domestic violence, dating violence, and stalking. Definitions of sexual misconduct and additional relevant definitions such as consent can be found in university policies, "The Student Sexual Misconduct Policy" (PRP 4790) and "The Sexual Harassment and Discrimination Policy" (PRP 4789). All policies and procedures relating to sexual misconduct can be found on the Bloomsburg University website.

Confidentiality

Bloomsburg will, to the extent possible, do our best to protect a victim's privacy while meeting the university's legal obligations. Because the safety of our students, faculty and staff is of our utmost concern, we are not always able to grant complete confidentiality in a sexual misconduct case. Victims have the right to not report a crime/incident of sexual misconduct to authorities and can instead utilize confidential resources, which can be found online and/or in relevant university policies as listed above. When reports are submitted, the university shall take the necessary measures to ensure that the information shared is kept private by limiting the

THE ANNUAL SECURITY AND FIRE SAFETY REPORT

information to those individuals required to know pursuant to law, regulation or university policy. The university will post publically available records including Clery Act reporting and disclosures, without the inclusion of personally identifying information.

Policies

University faculty and staff should refer to “The Sexual Harassment and Discrimination Policy” (PRP 4789) which outlines: the statement of non-discrimination, definitions, harassment/discrimination complaint procedures, role of advisors, resolution options, filing complaints, university investigations, disciplinary processes, confidentiality and records, interim suspension from employment, failure to participate in the investigation, final determinations, right of appeal, education, training, and resources, Title IX obligations, complaints with external agencies, posting of the policy, and resources for both on and off campus.

Students should refer to “The Student Sexual Misconduct Policy” (PRP 4790) and “The Student Code of Conduct and Judicial Process” (PRP 4802) which outlines: definitions, medical care and preservation of evidence, reporting and filing complaints, confidentiality and reporting, federal reporting obligations, interim accommodations for victims (academic situations, living situations, transportation situations, working situations, and protective measures), university disciplinary procedure, advisor options/right, and resources.

Education

On-going prevention and awareness efforts are imperative. Bloomsburg University takes extensive efforts to educate the campus community regarding sexual misconduct. All incoming freshmen are required to attend various informative seminars where topics including but not limited to sexual assault, rape, dating violence, domestic violence, and stalking are covered. The Bloomsburg University Police Department, (BUPD) offers sexual assault education and information programs to university employees and students upon request. The Woman’s Resource Center at Bloomsburg University offers educational opportunities through various speakers and literature on sexual assault awareness, prevention/risk reduction, and bystander intervention. Specifically, bystander intervention workshops are offered multiple times throughout the semester and any bystander can seek assistance from a university official at any time. In addition, the Office of Social Equity also provides various trainings and awareness campaigns for the campus community throughout each academic year.

Reporting

If you are a victim of sexual misconduct at this institution, your first priority should be to get to a safe location. You should then obtain necessary medical treatment. BUPD strongly advocates that the victim report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to BUPD at 570-389-2211 or 570-389-4168. Filing a police report with BUPD does not obligate the victim to prosecute, should the assailant be identified. Filing a police report will ensure that the victim receives the necessary medical treatment and tests at no expense to them. Victims will be provided with an opportunity to meet with a University Resource Advocate for Sexual Misconduct. It will also allow BUPD to collect evidence that may not be available later.

After receiving a report of sexual assault or domestic violence, BUPD notifies the Dean of Students Office. Victims may pursue an investigation through the criminal justice system and the Dean of Students Office or only the latter when an incident of sexual assault occurs.

Investigations

The university will pursue an independent investigation of violations of the university’s “Sexual Harassment and Discrimination Policy” (PRP 4789), “The Student Sexual Misconduct Policy” (PRP 4790) and “The Student Code of Conduct and Judicial Process” (PRP 4802). These investigations are conducted independent of any other police investigations stemming from a sexual assault allegation. These investigations are conducted by Bloomsburg University’s Title IX Coordinator or designee, who can be reached at 570-389-4808. BUPD makes notification to the Title IX Coordinator when a sexual assault is reported to the University Police Department.

Disciplinary Action

Individuals involved in cases of sexual misconduct have the right to a prompt, fair, and impartial process. All parties involved in

THE ANNUAL SECURITY AND FIRE SAFETY REPORT

university processes have the same rights, which are outlined the related policies (PRPs 4789, 4790, 4802). Bloomsburg University will simultaneously notify, in writing, both the accuser and the accused of: the result of any disciplinary proceeding that arises from an allegation of dating violence, domestic violence, sexual assault, or stalking; procedures for the accused and the victim to appeal the result of the institutional disciplinary proceeding; any change to the result; and when the result becomes final

Hearings processes are conducted by an official who received training on the issues related to dating violence, domestic violence, sexual assault, and stalking. All procedures take great effort to protect the safety of the victim and promote accountability. No contact letters can be issued to students in situations where specific behavioral expectations need to be addressed or outlined. No contact letters are used as a last resort and can be in lieu of disciplinary action. No contact letters can be requested by students and are typically issued by the Office of Residence Life or the Office of the Dean of Students.

Victims have the right to seek judicial action both through the legal process as well as administratively through university proceedings. Students should refer to “The Student Sexual Misconduct Policy” (PRP 4790) and “The Student Code of Conduct and Judicial Process” (PRP 4802). University faculty and staff should refer to “The Sexual Harassment and Discrimination Policy” (PRP 4789). Both policies outline filing complaints/reporting, proceedings, steps, timelines, decision-making process (student hearings utilize the preponderance of evidence standard), possible sanctions/action. Upon request, the results of any disciplinary proceedings will be given to the victim (and the accused) initially or their next of kin in the event the student is unable to receive the results.

Resources

A BUPD officer or the sexual assault advocate will guide the victim through the available options and support the victim in his or her decision. Various counseling options are available through the University Counseling Center at 570-389-4255 and the Student Health Center at 570-389-4451.

If you are an employee of the university, counseling options are available through the State Employee Assistance Program, (SEAP). Counseling and support services outside the university can be obtained through the Woman’s Center at 570-784-6631, Beyond Violence at 570-759-0298, or the Columbia County Victim/Witness Advocate Office at 570-389-5658.

Numerous resources are offered and available for victims. Any victim seeking assistance through BUPD, the Office of Social Equity, and/or The Dean of Students Office will receive in writing the resources available both on and off campus in addition to their rights. The victim has the right to choose to decline or utilize the available resources/rights throughout any stage in their process. The university will assist the victim seeking accommodative or protective measures regardless of whether or not the victim chooses to report the crime to campus police or local law enforcement.
